Vineland/Millville/Bridgeton Public Charter School
Summer Reading
1st grade

Dear Parent/Guardian:

As part of our Summer Reading Program students may choose any book, approved by you, within their Lexile range, to complete their project. Parents are welcome to take their child to the Vineland Public Library at 1058 East Landis Avenue, where the librarians there will assist all students with finding books within their Lexile range. Parents may also consult the following sites to find an appropriate book for their child.

http://www.scholastic.com/bookwizard/

https://www.lexile.com/findabook/

http://www.barnesandnoble.com/reading-level-reading-books-lexile/search.asp?cds2Pid=30223

Vineland Public Charter School students incoming to grades 1-6 are required to read at least ONE book and complete the attached assignment for their grade level. Copies of this assignment will also be available on our school website www.vinelandpubliccharterschool.org.

DUE DATE: ALL projects are due **the first Friday in September**

Incoming Grade 1: Create an advertisement for your book.

- Include the main idea and key details. Explain how the details support the main idea. (informational)

Your child's reading level is written on their final report card as "DRA". Please use this information in order to be sure that your child is choosing an appropriate book for their summer reading assignment. Parents are welcome to take their child to the Vineland Public Library at 1058 East Landis Avenue, where the librarians there will assist all students with finding books within their Lexile range. Parents may also consult the following sites to find an appropriate book for their child.
