

Summer Reading Assignment for 5th Grade

Welcome to your first reading and writing assignment for 5th grade! Your job is to choose one grade level book (fiction, or nonfiction-your choice) and write about it. Not only can you choose which book you read, you can also choose your assignment! Please remember, you only have to do one of the assignment options.

Assignment option 1:

You will write a summary of the book you read. This should be at least four paragraphs.

Assignment option 2:

If you choose to read a fiction book, your job is to use your imagination and write the next chapter in the style of the book. Remember to keep the story going and make it interesting. This will take as many paragraphs as you need to finish your next chapter.

Assignment option 3:

You can create an artful project that details what the book is about and the information in the book. For this project, you can make sure to use your imagination and have some fun with a book you love. It could be a diorama, a poster board or tri-fold, or even a google slides presentation. Your main job is to showcase what the book is about. If you do a project, remember to include the title, author, brief summary, images (digital or something you can draw), and meaningful quotes from the book.

Reading is meant to be fun, so make sure you choose well and enjoy yourself with this project.

Your assignment will be due by September 13, 2024. If you have any questions about this assignment, please email me at jverrico@cccharters.org.

Have a great summer and I can't wait to see you in class!

Best wishes,

Ms. Verrico
