Dear Parents and Guardians;

During the summer, we revised and updated our Health and Physical Education Curriculum in accordance with Policy 2422 for our 2023-2024 school year. We value the importance of partnering with our families as we strive to educate our students with the skills and knowledge necessary to lead a healthy and active life.

We ask that you review our school's current curriculum located on the parents tab of our websites. More specifically, the instructional units on family life education within our Health and Physical Education curriculum. You are also welcomed and encouraged to contact your child's Health and Physical Education teacher in order to preview lessons that will be taught throughout the school year.

CCCSN acknowledges that parents/guardians are the primary family life educators for their child/children and we are committed to partnering with you to provide supplementary resources to support you in this role.

Parents/Guardians do have to option of excluding their child from any portion of sexuality/family life education instruction if it is in conflict with their conscience, moral, or religious beliefs.

Section: 18A.35-4.7 Parent's statement of conflict with conscience

Any child whose parent or guardian presents to the school principal a signed statement that any part of the instructions in health, family life education or sex education is in conflict with his conscience, or sincerely held moral or religious beliefs shall be excused from that portion of the course where such instruction is being given and no penalties as to credit or graduation shall result therefrom.

You may contact me at (856) 691-1611, ext 137 if there are any concerns.

Sincerely;

A handwritten signature in black ink that reads 'Matthew Ackiewicz'.
